KEVIN SHADY

Computer Science Student | U.S. Department of State Exchange Alumnus | Media & Environment Volunteer

Cairo, Egypt • shadykevin16@gmail.com • +20 112 845 7358 • linkedin.com/in/kevin-shady

PROFILE

Computer Science undergraduate at Misr International University with a strong interest in technology for social and environmental impact. Alumnus of a U.S. Department of State–sponsored STEM leadership exchange, with hands-on experience in cross-cultural teamwork, media production and video editing, and community-driven environmental work.

EDUCATION

B.Sc. in Computer Science | Misr International University (MIU)

Cairo, Egypt

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Participant — The Experiment Digital in STEM | World Learning *Jun 2025 – Aug 2025*

United States (Remote) • Sponsored by the U.S. Department of State

- Selected for a competitive U.S. Department of State–sponsored virtual exchange bringing together youth from the MENA region and the United States.
- Explored technology through a STEM lens and completed collaborative project work with an international cohort.
- Developed leadership, cross-cultural communication and teamwork skills; awarded a Certificate of Distinguished Achievement in Leadership in STEM.

VOLUNTEER EXPERIENCE

Volunteer | CLTR Summit 2026 *2026*

Cairo, Egypt • Events

- Supported the event operations team at CLTR Summit 2026, preparing the cue cards used by speakers during their sessions and helping sessions run smoothly.
- Collaborated closely with the event team and gained first-hand insight into how a large-scale summit is organized and delivered behind the scenes.

Video Editor | Foras Khadra *Jul 2026 – Present*

Environment

- Produce and edit video content that raises awareness of environmental issues and promotes the organisation's initiatives.
- Handle the full editing workflow, from raw footage to captions, graphics and final delivery for social media.

Media Team Volunteer | Act Sustainable

Sustainable Egypt Youth Summit 2025 • Cairo, Egypt

- Served on the media team covering the Sustainable Egypt Youth Summit 2025, capturing sessions, speakers and attendee moments.
- Created photo and video content used to document the event and extend its reach online.
- Coordinated with organisers in a fast-paced live-event setting; awarded a Certificate of Participation.

Nile Clean-Up Volunteer | VeryNile

Cairo, Egypt • Environment

- Took part in clean-up activities along the Nile River and its islands, collecting and sorting waste with local teams.
- Supported grassroots environmental efforts focused on river conservation and community engagement.
